Wholesale Distribution Authorisation (WDA)

No.: 16615 G

Granted by the Dutch Ministry of Health, our WDA licence authorises ESNA Healthcare B.V. to wholesale and distribute medicinal products across the European Union. This ensures all storage, transport, and handling activities meet the highest regulatory standards.

Wholesale Licence | WDA — EudraGMDP

Good Distribution Practice (GDP)

No.: NL/G 24/2053458

Our GDP certification guarantees that the quality and integrity of pharmaceutical products are maintained throughout the supply chain — from procurement and warehousing to delivery.
